

Title

Shopify Developer

Excerpt

We're looking for a highly motivated professional who loves developing in Shopify to join our Odessa office full-time, for ongoing internal and external projects.

Text

Our client is a creative agency building legendary brand experiences for D2C and B2B businesses, with a specific emphasis on e-commerce. They have attracted a group of world-class creatives and marketers and are proud to call themselves the fastest-growing agency in Los Angeles.

Responsibilities:

- Maintain communication with the project manager and client from initial specs through project completion
- Provide time estimates for completion of project tasks
- Suggest improvements of processes and efficiency
- Report project task status, and ensure the quality of deliverables
- Encourage and support professional development in your team
- Help create an environment of trust, open communication, and cohesive teamwork

What we're looking for:

- 2+ years of experience in Shopify web development
- Liquid, GraphQL, Responsive CSS, HTML 4 and 5, Javascript
- Proficiency in implementing slideshows, toggle, smooth-scroll, etc.
- Experience providing E-commerce technology business solutions, e.g. subscriptions (Bold), other Shopify plugins
- Experience transferring sites and databases (FTP/phpMyAdmin/SSH)
- Understanding of databases/MySQL and arrays
- Experience with CMS systems
- Comfortable communicating in English

Bonus:

- Knowledgeable in PHP or WordPress
- Web design experience, including Photoshop/Illustrator
- Gitlab/Clickup/HotJar/Google Analytics
